MARY ANGELINE RIVAS

Graphic Designer

Hi there! I specialize in digital designs and illustrations. With a strong sense of creativity and a love for storytelling, I bring unique perspectives to every project, aiming to evoke emotions through visuals."

WORK EXPERIENCE

Graphic Designer

Mad Monkey | **Jun 2024 - Nov 2025**

Work from Home (WFH)

- Designed visual content for print (A0–A5), TV, and social media using Photoshop and Illustrator
- Created AI-generated images for campaigns using ChatGPT, Gemini, and Freepik
- Produced animations and edited videos with After Effects and Premiere Pro
- Developed logos, icons, and scalable branding assets
- Assisted with email signatures and PowerPoint presentations
- Managed files and workflows via Google Drive and Asana; collaborated using Canva

Graphic Designer

Freelance Project-Based | **Nov 2023 - May 2024**

Work from Home (WFH)

- Designed logos, social media graphics, and marketing materials for various clients
- Delivered custom design solutions based on client requirements
- Managed multiple client projects simultaneously
- Communicated with clients to gather needs and provide revisions

Graphic Designer

CalcMenu Philippines | **Jul 2023 - Sept 2023**

Ortigas Center, Pasig City, Philippines

- Designed website and landing page banners, including CTA visuals
- Created social media posts and handled email design requests for marketing
- Edited videos and designed assets using Canva
- Generated and refined AI images in Midjourney and performed photo manipulation in Photoshop
- Utilized Adobe Creative Cloud; managed tasks in Trello and organized assets in Google Drive

Computer Programmer II Front-End Designer

LTFRB | **Mar 2022 - Jun 2023**

East Avenue, Diliman, Quezon City, Metro Manila, Philippines

- Created responsive web designs with a focus on front-end development (HTML, CSS, JavaScript)
- Used Bootstrap Studio, Visual Studio Code, and Photoshop for design and development
- Designed logos, user interfaces, and marketing materials with effective color schemes
- Collaborated with the team to meet design requirements and conducted usability testing for improvements

Graphic Designer

Freelance Project-Based | **Mar 2020 - Feb 2022**

Work from Home (WFH)

- Created digital illustrations (scenery, characters, and design elements) based on client commissions
- Produced digital paintings for local and international clients
- Designed vector artwork for print materials and logos

Graphic Designer

Global Invitations | **May 2018 - Feb 2020**

Santa Mesa Heights, Quezon City, Metro Manila, Philippines

- Designed client-requested materials with supervisors, using photo manipulation and vector assets
- Coordinated with clients to gather requirements and feedback, and relayed details to the team
- Prepared invitation design materials and managed printing for mass production
